the year

Registration never ends. Finish it for one semester and then repeat the ordeal the next. But everyone is used to it, standing in line, classes closing before cards can be pulled, that agonizing moment of discovering what the annual tuition rise will do to a checking account. But it's something that must be accepted. There is no other recourse.

Thanks to feminine wiles among the Greeks, sorority rush once again ushers in the college calendar. As usual, days of organized confusion flow along on gallons of water, coke, punch and repetitious conversation. Amid the seasonal sisterly spirit, women eye women with cold appraisal of their taste, talents and attributes—and the detested phrase echoes through sorority rooms—"...but she's such a nice girl." Bids are received and rushees become pledges.

Manly acknowledgements, handshaking, the slap on the back all proclaim the search among fraternities for brothers. And deferred or not, rush attracts newcomers—both male and female. The final check, bids are given and rushees identify themselves with pledge pins.

They arrive every fall yet seldom is their presence felt till Rat Week. But meet a mouse-eared man and make him sing the fight song and then it's known—he's there. Top the week off by promising frosh men a kiss from Nancy and the horde unites and decides to stay. Donna Walker and Bob White reign over frosh spirit.

Despite the passing of a folk singing era, an updated group was secured by the C and L Series for the initial feature. Members of the Modern Folk Quartet answered the demand of versatility and received approval of the rat pack.

Perennial freshmen faced a crowd of victory-elated homecoming patrons in Seibert after the game. Although the lack of variety was regarded by many as an age factor of the Four Freshmen, the program successfully climaxed the big weekend.

That special homecoming feeling reigns all week but it doesn't officially begin till Friday night. Work your fingers to the bone in the cold night to make a dream become a reality and maybe a winning display—while others watch. Grap a couple hours sleep if possible but don't be late for the parade. Cheer the team on to victory in Seibert and then party like mad. And the whole weekend belonged to queen Danella Vinson.

homecoming

The year of elections is a red, white and blue year. Americans seek their candidates for the presidency as the Entre Nous advertises for an All-American Girl. A tea provides the initial testing grounds. Then finalists parade—Robert croons — parade—Bobby and Sandra perform—parade—Carol pleas — and parade while the judges deliberate. Tension grows as the moment of decision lengthens to minutes and then Dick calls Mo.

Fill the Arena Theater with talent such as was seen in the major dramatical production, "Inherit the Wind" and the need is seen for improved facilities. Ringing applause was heard for freshman theater man Dave Douglas in the Scopes trials based play and for the horde of additional actors.

Take a Negro ritual, black, and powerful and moving like "God's Trombones" and the readers touch something that can stir the soul. Or show the modern world "Christ in a Concrete City" and they understand. Readers filled the need of the public by taking both productions on tour.

A season record of 4-4-1 results from the combined efforts of members of the 1965 varsity football squad. Although the team began the year slowly and ended in a cold freeze, the number of advancing novice players leaves fans little doubt of the potentials of upcoming seasons. Individual performances such as that of Richard Cruce also increase the appeal of Howard's football future, a future where the recognized king of college sports gains continually in fame and excellence.

In the opening game of the 1964 football season, the Bulldogs battled to a 7-7 tie with Pensacola Navy. The fourth quarter touchdown for the 'Dogs came two plays after halfback Richard Cruce intercepted a Navy pass. The score was made on a 17 yard pass from Larry Wyatt to Cruce. Keeling kicked the extra point.

Jim Stewart returned a punt 65 yards which set up the Navy touchdown. With one second left, Jimmy Jackson broke through to block a Navy field goal attempt. Jeff Hopping also stopped a Navy bid for a score by intercepting a pass in his own end zone.

Senior Richard Cruce was selected back of the week after a fine defensive night against Pensacola. Ed Donahoo, the number one linebacker on the team, was selected back of the week for his outstanding performance against Pensacola.

Howard Bulldogs recorded their first victory of the season in a 33-13 win over the Red Wave of Troy State. Mike Bishop picked off a Troy pass in the third quarter, and then raced 55 yards to score. Keeling's conversion was good to put the 'Dogs ahead 14-13.

The first Howard TD was set up as James Cecil Long recovered a fumble on the Troy 12. Wyatt made the plunge to score. The Bulldogs came alive in the 4th quarter as Bobby Masdon made a touchdown, Charles Jacob then caught a 39 yard pass for another 6 pointer; two plays later, Larry Lackey intercepted a Troy aerial to run 44 yards for the final TD.

Larry Wyatt and Don Shurbet were cited for their outstanding performances against Troy.

Howard Bulldogs traveled to Greenville, N.C. to face East Carolina which was fifth ranked among small colleges. The Bulldogs rolled up 343 yards for their largest offensive show since the final game of 1962. The Pirates combined a massive offensive performance and 4 Howard fumbles to gain a 31-20 win. The Bulldogs led with 4 minutes remaining but were overcome by the Pirate twosome of Dave Alexander and Bill Cline who engineered two quick TD's. Back of the week, Richard Cruce, caught a 31 yard pass to set up Howard's final score.

An extra point blocked in the 3rd quarter proved fatal for Howard as the McNeese State Cowboys handed the Bulldogs their 2nd defeat by a slim 7-6 margin.

After giving Howard a 6-0 lead early in the 3rd quarter, the defending Gulf State Conference champs roared back in fine form.

Rex Keeling's kicking and Larry Wyatt's running and passing led the Howard Bulldogs to a 20-17 victory over the Northeast Louisiana Indians in an exciting game at Seibert Stadium.

The Indians opened the action early in the game by marching 80 yards in 10 plays for the first score of the afternoon and a 6-0 lead. With 2:36 remaining in the first period, Keeling kicked Howard's first score with a 32 yard field goal.

Late in the second period, Northeast's Shillcutt kicked a 30 yard field goal to give the Indians a 9-3 lead as the half ended.

The third period was a scoreless one, but the 'Dogs scored 2 touchdowns in the 4th quarter to make it 17-9 with 1:46 remaining in the game.

Northeast was not through though, as they drove 80 yards to pay dirt to set the score at 17-15. With 47 seconds remaining in the game, Howard scored a field goal, and the score was knotted at 17-17. With 21 seconds remaining, Keeling booted a field goal that brought the High School Day crowd to their feet. The clock stopped with 9 seconds remaining and Howard led 20-17.

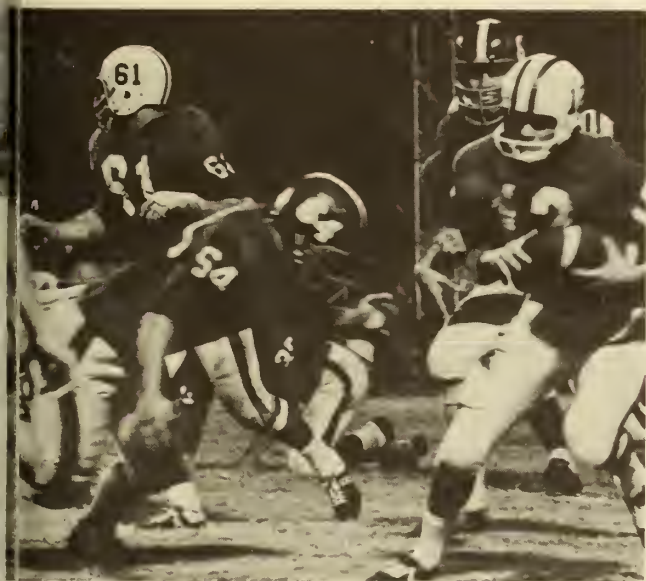

Hamby applies the brakes to Statesman.

It took the third quarter for the Howard hounds to quit napping—but quit they did. The Delta Statesmen's homecoming took on a sad note as Richard Cruce spoiled festivities with two long touchdown runs. Cruce broke away in the third and churned up 37 yards off left tackle to Howard's second touchdown with 6:05 left to go. Moments later Cruce fielded a Delta punt at the Howard 30 and scampered 70 yards for a touchdown, and added insurance.

Back in the starting stages, Larry Watt scored from the one and Rex "The Toe" Keeling upped the tally after a Dog recovery on Delta's fumble. Running on a draw play for 14, Howard was called by the Statesmen and forced to go for three. The 26-8 win marked the second in a row for Howard over the Statesmen.

Masdon moves the ball goalward to keep homecoming fans happy.

Playing inspired defensive football, the Howard College Bulldogs came back from an early Mississippi College score to win the Homecoming Game 24-7.

Bulldog quarterback Larry Wyatt suffered a bruised elbow before the first TD. Substitute quarterback David Hall was called in, and on this play passed to slotback James Cecil Long for the first Bulldog score.

On the second play following Howard's score, the Choctaw quarterback rolled out in the end zone. Donahoo fired through the line and dropped him in the end zone for a safety. Howard pulled into the lead with an 8-7 score, and kept the lead throughout the game.

Harry's alone and looking for a partner.

The Howard Bulldogs went into battle for the last homer this year only to be set back by a spirited Carson Newman, 3-0. Howard drove deep enough to threaten 3 times, but each time Bob Davis' Eagles held and Carson-Newman got their first win over a Howard team since 1957.

A 22 yard field goal by Carson-Newman was the deciding factor of the game. With 29 seconds left in the first quarter, Bobby Buckner cashed in on the deepest drive for the Eagles during the entire game.

Howard's Rex Keeling almost tied the score with a 44 yard field goal attempt on the final play of the game. Howard had 2 other scoring opportunities, but failed to make them count.

An inspired band of Howard College Bulldogs fought their way to a near upset at Chattanooga only to see it swept away in the waning minutes as the Moccasins rallied to defeat the visitors 28-13.

The Bulldogs scored early to lead 7-0, at the end of the first quarter. At halftime, the 'Dogs still led 13-7.

Twelve minutes into the 3rd period, Howard continued to lead. However, with 2:46 remaining, the Moccasins scored six points to tie the game.

Late in the final quarter, Coach Scott's team appeared on their way to an upset tie. But, the Moccasins scored two touchdowns in the final two minutes of the game to grab the win over the smaller Bulldogs with a score of 28-13.

Bulldogs of the hardwood entered the '64-'65 season with high hopes and the loss of little experience other than the loss of two lettermen. Pre-season prospect dimmers of Coach Ledbetter came from lack of dept and the fact that the cagers' schedule called for fourteen road trips. Joining leading point-getters of the past Carl Dunn, Jerry Thomas, Rusty Ryan, and Randy Taylor, freshmen Mike McKenzie, Randy Shurbet, and Jerry Bowling ran the limit of rags to riches as the team recovered from the Alabama tidal wave to wreak their wrath on more compatible foes.

Opening round of the Rome, Georgia, Tipp-Off Tournament saw Bulldog shooters barely overcome by the men from Berry in a 42-40 score. Defeated by two points the cagers bounced back for brief glory as they edged ahead of St. Bernard 68-66.

The ever-tough Alabama Tide was the next opponent and set a new school record in scoring while blistering the Dogs 114-57 in a no chance game at Foster Auditorium. While hitting 27.5 from Tide-land, Howard out rebounded 71-31. And thus the jinx continued on the team playing away from home and according to some, out of its league.

Being humiliated is no team favorite endeavor and revenge is sweet even though the opponent's new. Returning to Seibert, frosh guard Gilmer Ellis led the cagers in trouncing over Covenant College of Chattanooga 118-48. Howard only outshot the visitors 43 to 41 percentage wise but shot a fantastic 105 times hitting on 56. Only 45 seconds were needed for Rusty Ryan and Wayne Tarrants to push the Dogs five in front in the victory march.

Despite point-getting efforts of Wayne Tarrants totaling 21 and the addition of 14 by Carl Dunn, Howard bowed to Louisiana College 77-70. A 63-58 Dog lead after the game had been tied eight times took an abrupt about-face when team shots froze to a stand-still in the last half.

Bulldogs battled on the courts coming up with 91-72 over Cumberland and losses of 86-80 under Mississippi and 82-68 to Troy State. Returning home, the cagers scored revenge on William Cary with damage done by center Jerry Thomas' rebounding and the 19 point drive of Carl Dunn. The final score placed Howard ahead 83-51.

Still at home, the players took on Louisiana College again and set themselves on top with the four shooting heroics of Rusty Ryan and Mike McKenzie. On a tied score of 58-58 in the closing minutes of the game, Ryan dropped one and McKenzie two while 18 point lead scorer Wayne Tarrants caught his breath. The Invaders outshot Howard hitting 23 of 48 for 47.9 percent—but the score's what counts—61-58. St. Bernard College moved into the Mississippi College Invitational Tournament on its merits of bouncing Howard 100-85. A blistering scoring pace was set by Bernard's Larry Darst who dumped 28 tallies to the Dogs' point leader Wayne Tarrants with 20. In the tournament consolation game, Howard achieved a near record scoring pace against Mississippi College. The five man vanguard of power rumbled to a 112-80 victory with Skip Heath contributing a 23 point effort.

A hissing leap by Chattanooga Moccasins carried the Dogs' foe to an impressive early lead and a convincing 44-24 half-time total. Revision of defenses appeared regularly as Coach Ledbetter sought to stem the fast mounting flow of Chattanooga points. Sinking Bulldogs lost three minutes on foul from point getter Wayne Tarrants.

Snapping a eight game win streak, Howard took the lead over Belmont at 58-56 with two minutes remaining in the game on a Bobby Draper field goal. The Dogs hit 27 of 59 for a 45.8 percentage on the game with a final score of 62-59.

Hot shooting by Howard pulled the score away from a 33-33 intermission tie with Florence as the Dogs continued their winning ways. Keeping the cagers in contention was forward Bobby Draper's field goal shooting and the equal efforts of 16 points apiece for Carl Dunn and Joe Sexton. With the 81-68 win under their belts, the Dogs went on to take Chattanooga 76-72. Following the overtime loss to Howard, Chattanooga coach Leon Ford announced future basketball relations with the Bulldogs would be severed due to differences in the manner of selecting game officials. One of the officials used at the game had previously been placed on Ford's blacklist.

The Troy State Red Wave scored a surprisingly easy win over Howard of 79-58. The Wave's narrow half-time lead widened comfortably after the game resumed despite the fast paced action of Carl Dunn which netted 22 points. Defeat continued for the Dogs as they fell to Belmont 74-64.

As usual, Alpha Delta Pi fired the first shot of the year. Our president popped her buttons and shot our advisor. Such things do happen in the course of rush. From then on things kept going at a hectic pace. Three sisters were in the Homecoming Court, one of them being first alternate—but you might know we wouldn't win even if we did stack the cards. The same darned thing happened in the Entre Nous pageant—first alternate again! Does this mean there's always someone a little better? Of course not! After all, having five runner-ups is better than having just one who won?

But beauty isn't everything. Man—what we really got is talent. Besides having four sisters packing off to Europe with the choir,

There is much, much more to us women than we can even begin to tell here. Some of it involves work—but most of it is pleasure. Besides attending all the fraternity parties, we manage to throw a few of our own. And they are dillies.

Despite our reputation of being rather aloof and flighty, there is one element of sophistication and sentimentality that flows in the veins of every true ADPi—the love and pride that is reflected in the soft smile between sisters that simply says, "We live for each other."

chi omega

Chi O's really came on strong this year—second at Howard. Look for us anywhere and chances are—you'll find us. Consequently we've plagiarized a phrase an ancient lisper once uttered—"Vini, vidi, vici!" For the uneducated masses in whose midst we stand—we had a hairy blast.

First we conquered rush—and even got some pledges. Then it was time to begin the business at hand, namely parties. We had a few of them too. Along the party path, Chi O's campaigned vigorously to stamp out white socks but raised the flag of surrender when an inspection crew detected a pair at our winter formal.

Oh yes, our Eleusinian banquet. We can't forget it simply because a few of the men only have vague recollections of it.

Shades of Shakespeare and Homecoming goose-bumps. We won! Although we didn't overly exert ourselves after such a bewitching fate, many laurels fell upon us. Of course, space does not permit elaboration on our numerous achievements.

In summary, no one but a Chi O looks forward so much to September and so little to May. Come visit us at Brice's. That's where we vacation during the summer months.

Do the what?

Expect folks to believe that?

Well, Delta Zeta started off with a bang this year—our room blew up! After getting both of our pledges to clean it up, we decided to get it redecorated. After adding the piano, crest, billiard table and swimming pool, we decided that the room was too small, especially after one of our pledges drowned. If everything goes all right we plan to get a new trophy case for Angie's trophies.

In the field of activities and beauties, Delta Zeta claims an unequaled record. We may not have one, but we can claim it anyway!

Our pledge class has set many records in the past year. They have lost more pledge pins, have had more blind dates, and have attended chapel more than any other pledge class.

While we have the opportunity, we would like to thank all of the people who have helped Delta Zeta to become "tops" on campus. Both of you are very nice. We will try our best to stay there. Delta Zeta's are known to be the friendliest people on campus. We like everyone and we hope that everyone likes us. After all . . .

DELTA ZETA IS THE BEST YOU WILL SEE . . .
IN THIS ACADEMIC COMMUNITY.

As to what Phi Mu's have been doing this year, let
 us give you some clues;
 We've been in and out and all through the news.
 The wandering eye of the Crimson caught sight of
 one of our cuties,
 And took Karen's picture for Bulldog beauty.
 When the new year began, the clubs all needed
 officers et cetera,
 And Phi Mu's just seem to do things better.
 In honorary frats like *ETA*, *Kappa*, *Phi Phi*, *KME*, and
Alpha to name a few,
 Were many girls who belong to Phi Mu.
 We are especially proud of our girl named Sherry
 Deems
 As she leads the crowds and cheers the team.
 An active that has worked hard, served well, and
 won senate fame,
 Is Charlotte Brooks to call by name.
 As for how our girls did in the Miss Homecoming
 contest,
 Claudia and Katherine stood out from the rest.
 As our social service project we have been working
 at the Red Cross and Mercy Home, too,
 While in intermurals, we've taken a few.
 Who's Who Among College Students in America
 brags on Phi Mu,
 And tells about Cookie and Mona too.
 Not only do Alpha Gams work but they also have
 fun,
 And him to hen parties come.
 And to top it all off we did not play "dunce".
 After all, we chose the Hunts.

Everyone passes inspection.

We of Beta Sigma Omicron have once again changed our identifying letters—not to the usual rearrangement given us, but to a completely new set—ZTA, or to a complete new name, Zeta Tau Alpha. Actually we're quite glad of this because we were really getting tired of people confusing the term "BSO" with another familiar grouping of the same letters.

ZTA's chain of chapters was lengthened to 104 last summer when that organization "bought out" that of BSO.

Former Betas at Howard were accepted into the Zeta sisterhood with friendship and a spirit of love—and, we might add, a receipt for \$50.00 per girl for a new pin.

Zeta Tau Alpha was founded in Farmville, Virginia (not necessarily of farm girls) and was the first women's fraternity ever chartered by special act of legislature. They really wanted us organized bad!

A change in name did not mean a change in everything else. Our parties are still as bawdy as ever and somehow we are still able to stay in trouble most of the time.

Zetas at Howard now have many new sisters and new affiliations, and we are looking forward to the next few years with eager expectation of a widening circle of friendship and sisterhood. In fact, we hope to get a little further insight into the "misterhood" field.

Ten sorority women serve as the unification of member groups in Panhellenic Council. The council strives to promote increased understanding and appreciation among Howard's five sororities. Training ground for future panhellenic members is the junior organization.

The Interfraternity Council is composed of two representatives from each of the five social fraternities at Howard. The council works in co-ordinating events of campus interest as well as governing the activities of its member groups. Officers are Bobby Little, president; Skip Wilson, vice-president; Wayne Shaddix, secretary; Jake Herron, treasurer.

Alas! The Devil Seekers are once again being frowned upon by their bretheren upstairs. Can we help it if we're doomed to be basement dwellers. Since everyone's got his own kick coming, if you want to visit us—bring your own darned mouse.

Rush was a great success. We got one. However, we're still having trouble with him—he had high hopes of pledging a sorority but with regulations and all he gave in and set up his telescope in the room. We love pledges.

This year we got a little further in filling our trophy case—an impressive pyramid of aired - out cans—with new trophies—some swiped, some bought and one won. Thank heaven for love.

After fall fell, everything else started tumbling—grades, members, Christmas decorations. Due to our president's desire for us to regain our unequalled scholarship record, we've limited our number of parties. It started last September after registration and has been going ever since. A unanimous vote among members last week made it an annual affair.

One question still goes unanswered. "Why does our pin slant?" Revelation—it's as simple as that.

What's right about this picture?

Lambda Chi's started off the year with the hectic pace of parties; the first one being a "BIG ONE" at the Tutwiler, followed by many lesser ones. The "Orgy," Roman style featured "Little Roma" herself and he was almost the real thing. Several of the brothers still don't believe he was he. Next came the Beatnick party—now that was really a party. It was so dark that many had a hard time finding their way in and out.

During the homecoming lull we put in a few hours work and put up a little display which accidentally won first place.

We did several things for the sororities: planned and executed a 440 bicycle race for them and also kidnapped their presidents. Since this year was the 40th anniversary of Lambda Chi Alpha on Howard's campus, we celebrated with jubilation. We also celebrated the 39th, 38th, 37th, etc., with like vigor. We just love celebrations!

Very few "Honor Days" slipped by without Lambda Chi being mentioned at least once. Our sweetheart was given the title of "Rowdiest" on campus, and we got the grand prize for having the wildest house party since 1929.

"Hotty, totty, gosh-a-mighty,
Who the heck am I?
Bim, Bam, Thank you ma'am,
I'm a Lambda Chi!"

Let's cut out while she's not looking.

The Pikes are a group of friends banded together to uphold a tradition of detachment from the serious side of College life, and of passionate devotion to the frivolous.

Despite our rigorously high standards, nineteen young men of extremely high character forced their way into our bonds of fellowship this year.

Even though we are habitual nonconformists, we don't neglect the wide and varied range of student activities in any way. Our leader reigns as Greek God and his beautiful co-reigning Goddess is none other than our Dream Girl, Miss Diana Fuqua. Our representative to the S.G.A., Brother Bob Embry, received a letter of congratulations on his campaign tactics from Jimmy Hoffa, and if you're curious why we got an extra-long section in the *Entre Nous*, well, we got the Greek Editor, too.

Although we didn't do too well in football this year, we did succeed in beating the DZ's at Volleyball, but then we realized no one was keeping score. We can't figure out why, but it seems that everyone we pledge seems to go in for indoor sports.

Those of you who have been to our parties know the true meaning of the word. Our social season, shall we say, was "Out of this world."

Actually, conforming might not be that bad, if we just knew how to go about it. And we really wouldn't mind competing either; after 54 years it's gotten a little lonesome being the only social fraternity on campus.

Give 'em hell, Pikes, give 'em hell.

Presenting our queens—Rickey and Claudia.

sigma nu

Rickey seems a bit hungry.

Sigma Nu is in the process of completing another successful (?) year, in spite of some of the brothers. Our trophy case is really gleaming this year. Our biggest trophy being the one for being the team "Most popular with the Referees."

Our pledges really outdid themselves on scholarship this year. All three had a 1.0 or better. For this, the actives honored them with a "Night Out!"

Most any night you can find 90% of the brothers sitting around in a certain dark cellar listening to Brother Jack Hare entertain. Shame on the brothers for being there instead of in studying like the rest of the fraternities. Not only grades, but profiles also testify to this expenditure of time and (money?). Like President Wilson says, "In a fraternity you associate with boys you wouldn't ordinarily associate with."

We do however, feel like giving ourselves at least a brownie button for getting the scholarship and intramural trophy despite our renowned extra-curricular activities.

A roar of drums, the horizontal high step of a drum major and the Howard College Marching Band moves onto the field. Although half-time shows are the major concentration during fall, the band also furnishes music for pep rallies, pageants, homecoming parade, convocations, graduation and the candlelight dinner. An added interest for musicians in the Birmingham area lies in the opportunity to perform with the Howard College Orchestra under the direction of George W. Koski. Due to expansion in the size of the orchestra, site of the public concerts has been moved from the campus chapel to Shades Valley High's auditorium. Main attraction of the orchestra's on-campus activities for the season came with the feature appearance on the Founder's Day convocation.

Pyramids of figures, unending lines of ledger sheets, the complexities of labor unions—these are the elements found in the BA division. While the main objective of BA is to provide a basic education for positions in commerce and industry, emphasis is also placed on liberal arts opportunities. Students are allowed a degree of specialization in selecting a major due to the business requirements in the working world.

HOWARD STUDENTS

Among us, Howard College is very important; but, incredible as it may seem, it is not a self-subsisting unit. The commercial world of dime stores, doctors, dairies, restaurants, shoe stores, apothecaries, banks, bowling alleys, jewelers, and manufacturers can not be forgotten.

These our advertisers provide the necessities and luxuries of life. Simultaneously through advertising, they aid in the production of this student publication.

PRODUCING
FACILITY**

You're looking inside the new American Steel Pipe Division plant recently completed at ACIPCO and now in production. This new facility means additional employment, additional production, and additional growth for ACIPCO and for Birmingham. As has been said before, the success of one contributes to the other. We're proud of our mutual progress. And as the nation knows the name of AMERICAN as a leading source of quality cast iron pipe and steel tubing, you can be sure our steel pipe will take its important position. The men and women of ACIPCO are proud of the part our company and our people have played in contributing to the civic and cultural growth of the community. Yes . . . it is nice to live in Birmingham.

"Our 60th year of service."
